

MAY SNACK ASSIGNMENT

HELPING HANDS

The snacks that your child brings in will be used the following day so it is important to be sure to get snacks to us on time. We have attempted to divide the snack items according to the cost of each item, allowing for the cost to be evenly distributed amongst families.

**If you cannot find ripe or good quality fruit/vegetables per your assignment, please substitute with a similar fruit/vegetable. Prices and brand names are based on items found at Walmart® to simplify the shopping process, but due to changing stock may require purchase at alternate store. Nutritionally equivalent store brand alternatives are also acceptable.*

Please deliver your snack to the classroom so we can keep record of the snacks coming into the center from the various classrooms. A \$15 charge will be assessed for missed snack per month. Thank you for providing these snacks to the students!
